**Copic Markers**

Fast drying double ended markers available in 72 colours. Copic markers are refillable, permanent and non-toxic. Their outstanding performance and versatility have made Copic markers the choice of professional designers worldwide.

**Sketch Markers**

The sketch marker with the Super Brush nib is perfect for illustration, fashion design, Manga and adding detail to your images. The Super Brush nib acts like a paintbrush both in feel and in colour application. For more control, use the Medium Broad nib at the opposite end of the marker. Sketch markers are refillable and the nibs are replaceable.

**\$7.95**

**Multiliner SP**

Multiliners are waterproof, pigment based pens that will not bleed into Copic Markers. They are refillable and have replaceable nibs. They are made of durable aluminum and come in 10 different sizes.
